Oscar Adolphson Primary School

Dear Caregivers,

Hillside Leadership Students have planned a fantastic community try it day for us December 20th! At 11 am that day students will travel to their chosen activity and return to the school for lunchtime.

Please read the options closely as some options require special equipment. Please fill this out with your child and number the activities from 1-10, 1 being the most interested and 10 being the least interested. I encourage students to try out an activity they haven't tried before!

Spaces are limited in each activity, most activities are limited to around 20 students. Please return these forms as soon as possible. Please sign both the activities form and the permission form.

Activities are first come first served so please return completed forms quickly to ensure your child gets one of their most desired activities.

Students who do not have forms signed and filled out by December 6 will be assigned an activity.

A big thank you to OAP School Council for making this event free of charge for families and for volunteering their time to help with events.

If you have any questions please do not hesitate to contact the school

Sincerely,

Kim Caron
